

Email Marketing Guide

A simple step-by-step handbook for Cal Freeman • calfreeman.com

1. How It Works (The Automatic Setup)

Everything is connected to your website and runs on complete autopilot:

1. A visitor arrives at **calfreeman.com**.
2. They scroll down to the "Keep up with Cal" box and type in their email.
3. **Added to your List:** Their email is automatically stored in your Brevo marketing list.
4. **Instant Notification:** You instantly receive an email alert at **hello@calfreeman.com** notifying you:
"New Subscriber: user@example.com".

2. How to Log In to Brevo

You can manage your subscribers and send newsletters from your computer or phone:

Website: <https://app.brevo.com>

Email:

Password:

3. How to View Your List of Contacts

To see everyone who has signed up to receive updates:

1. Log in to **Brevo**.
2. In the left-hand navigation menu, click **CRM** → **Contacts**.
3. Click **Lists** (or click directly on **Contacts** to see every individual email address).
4. Click on your list (named **Your first list** or **Marketing Contacts**).
5. Here you can view:
 - Every subscriber's email address.
 - The date and time they subscribed.
 - Your total subscriber count.

*Tip: You can also download your full list anytime as an Excel or CSV file by clicking **Export**.*

4. How to Send an Email to Everyone on Your List

Whenever you have news, festival screening announcements, or releases, you can send an email blast to everyone with a few clicks:

STEP 1 Create the Email

1. In the left menu, click **Campaigns** → **Email**.
2. Click the blue **Create an email campaign** button in the top right corner.
3. Give your campaign a title (e.g. "*Hold the Sausage Screening Announcement*") — visible only to you).

STEP 2 Fill in the 4 Quick Steps

- **From:** Already pre-filled as calfreeman <hello@calfreeman.com>.
- **To:** Click **Add recipients** and select your subscriber list.
- **Subject:** Write what subscribers see in their inbox (e.g. "*News from Cal Freeman: Screening dates & updates*").
- **Design:** Click **Design email**. Pick the **Drag & Drop Editor**. You can type text, add photos/film stills, and insert links to trailers, tickets, or BBC iPlayer.

STEP 3 Test and Send

1. Click **Send a test** in the top right to send a preview to hello@calfreeman.com to verify formatting on your phone.
2. When ready, click **Schedule**:
 - Choose **Send immediately** to blast it right away, or
 - Pick a future date and time to schedule it.

5. Key Things to Keep in Mind

- **Free Plan:** Your account includes **unlimited contacts** for free, and you can send up to **300 emails per day** (~9,000 emails/month) for free.
- **GDPR Compliance:** Brevo automatically includes an "Unsubscribe" link at the bottom of every marketing email so you are always fully compliant.
- **Open Rates & Clicks:** After sending, check **Campaigns** to see how many people opened your email and clicked your links!
